1,500 FRIGHTENED HORSE HAS AN PASSENGERS PUT ON SHORT RATIONS

Korea's Engines Broke Down Municipal Beast of Burden Aldermen Davis and Redmond and the Coal Supply Ran Out.

Fifteen hundred passengers arrived After swimming in the East River all voyage fraught with perlis and exciterment; in which the coal became exhausted and the provisions ran so low

The Korea belongs to the new Russian line that runs from Libau, Russia. to New York, and left April 29. She May II. in the Atlantic, in latitude into severe gaies. About 11 P. M. the that brought him at last to land. passengers felt a shock, and all who

showed that the thrust blocks were orosen.

The engineers spent twelve hours in repairs, but when completed the slip could go only about four miles an hour. She plunged and tossed, and the growest est consternation prevalled smong the passengers many of whom Ethted candles and practised weird ancantations to appease the wrath of the sea.

Owing to the slowness with which the ship proceeded, the coal supply was in danger of being exhausted.

Fart of the cargo was used for fuel, and when this was exhausted the minor deck fittings were tern away and fed to the furnace. Capt. Kirschikged and his crew did all possible to pacify the frightened passengers, most of whom were from Russia, but pandemonium reigned during the remainder of the toyage, especially whenthe limited rations and water were daily given out. On Wednesday the Korea limped into Boston with a distress signal flying, reading: "May we enter your harbor." It was at 5.30 o'clock this morning when news of No. 439 began to come in. Policeman Reardon heard from a citizen that a lot of boats were trying reading: "May we enter your harbor." It was such an unusual one that many vessels at once went to the aid of the disabled craft, and tugs took her into tow and brought her to New York to-day.

During the voyage Mrs. Natalite Gourelly, aged twenty-fire are inguised to save him, but the horse ob-sing to save him to save

schoolgiri, whose father, James Dawson running across that street to-day and was run down by a big auto car belonging to the Columbia Electric Vehicle Company, of No. 134 West Thirty-ninth street. Charles Hennau, the chauffeur,

seven of her ribs were broken and she was suffering from internal injuries. Policeman Craig of the traffic squad came running from Columbus Circle and arrested the chauffeur. Craig told Hennau to forget all about speed limitations in making time to the Rocasvelt Hospital. The girl was attended by Dr. Harrington, who said that she might recover.

door of their bedroom was forced open and young Bulman staggered in, waving a revolver at them. He demanded money from his mother, but the two women were so terrified at his reckless handling of the weapon that they fied from the house and took rafuge with a neighbor.

Bulman is twenty-nine years old and has a wife and baby in South Orange.

EIGHT-HOURFIGHT IN EAST RIVER

Rescued After Spending a Night in the Water.

on the steamer Korez after a night, dodging boats that didn't seein to pay any attention to him, a Street-Cleaning Department horse was rescued jured. They were Alderman that rations had to be distributed by street none the worse for his long stay hattan; Alderman James Redmend, as in the water. He fought his rescuers for an hour, and it was only the superior seamanship of a New York Central place, Brooklyn; Thomas Klechla, passed Rotterdam on May 4, and on tug pilot and the clever lasso juggling of a seaman who used to sail the Westand longitude 40.82, the ran ern plains on the fe'castle of a bronco

At dusk last night a cart driver tool happened to be up were knocked to his last load of rubbish to the foot of their test. It is supposed the ship Clinton street, dumped it and unhitched struck a submerged derelici. The ensurement of the submerged derelici. The ensurement of the submerged to work and the ship became unmanageable.

There were only thirteen cabin passengers. They helped the crew to reassure the steerage that "there was bothing the matter." An investigation showed that the thrust blocks were cooken.

The policeman went there and saw was shown

others came up he was penned in a small inclosure. If a little boat hadn't accidentally left a loophole early in the chase No. 459 would have been comchase No. 439 would have been compelled to capitulate, but the opening was instantly seized. With his tall high above the waves and his nose snorting salt spray the old cart borse escaped. Another manoeuvre by the boats soon cornered him again, and this time the New York Central tug's pilot got active. He steered the nose of the boat against old No. 439 and alowip showed him along toward the dock. The horse tried to meet the tugboat's

the pilot was ready when the chack head appeared.
At last No. 439 was shoved up within ten feet of the docs, and the sx-cowpuncher came along with his rope. The first cast settled the lasso around the horse's neck, and he was pulled up to a tug's side. Other ropes were slipped under his breast. A windlass was brought into play, and the cart horse came on board.
He had been in the water at least seven or eight hours.
